Innovation Expedition 3: How we can Navigate to the Next Generation of Health Care

February 7&8, 2010 Boston MA, USA

in-no-va-tion –noun –a new way of doing something; incremental, radical, and revolutionary changes in thinking, products, processes, or organizations

ex-pe-di-tion – noun – a search or voyage for the purpose of discovery

Experience two days of stories and dialogue about practical advances in healthcare that address the complex challenges of delivering innovative, collaborative, solutions that drive safe, patient centered, cost effective care while also restoring the joy of practice for all caregivers. Join us for an exploration of successful innovations with a diverse group of stakeholders from across the healthcare systems in Canada and the United States.

Hosted by:

Tom Bigda-Peyton, Action Learning Systems

Bob Laliberte, Innovation Partners International

Dr. Martin Merry, Dynamic Health Systems

Bernard Mohr, Innovation Partners International

Danny Nashman, The Potential Group

Tony Silbert, Innovation Partners International

About the Innovation Expedition (IE)

Innovation Expedition is a not for profit alliance of a number of educators, thought leaders, and change facilitators who have created an ongoing series of annual gatherings that probe creative paths toward health care's future. We are committed to creating an engaging and inspiring learning community with leaders in healthcare innovation and reform; a community to collaborate and build new ideas that will create the bridge toward a "second curve" in healthcare delivery.

IE 3

The third International Innovation Expedition in Health Care will take place on February 7 and 8, 2010. It is our belief that the seeds of health care's future are already planted and being nurtured in health care organizations throughout the United States and Canada. We are seeking leaders who are creating and experimenting with new models of care and discovering leading edge practices that are paving the way toward the next generation of health care.

Attendance is by invitation only and we are holding space for a diverse mix of health care stakeholders (Physician and Nursing Leaders, Regulatory Agencies, Administrators, Provincial, State and Federal entities, Insurers, Social Workers, Care Coordinators, Pharmaceuticals and Foundations).

Innovation Expedition 3

By Invitation Only – Limited Space

Innovation Expedition 3: Creating Practical Pathways to the Next Generation of Health Care

Call for Contributors and Collaborators

We would like to invite you to bring your expertise and experiences to our 2-day event in February 2010. Each participant in the expedition will be asked to be both a contributor and collaborator sharing insights and working together to energize and take our work in healthcare innovation and renewal another step towards the “Second Curve”.

If you wish to join this unique expedition, we would like to invite you to submit a short overview of what you might wish to share and explore as part of our dialogue. We are particularly looking for stories of innovations in the following topic areas:

- Innovation and New Designs for Primary Care (Advances in the Medical Home Model or Family Health Teams)
- Advances in Interprofessional Collaboration, Integration of New Roles and New Models of Healthcare Delivery
- Technological Innovations that create New Models of Care Delivery
- Advances in Patient Safety, Patient and Family Centred Care
- Innovations in Integration and Transition Across the Continuum of Care (from Acute, Rehab, Community Care to Home Care and Elder Care)

Interested in Contributing and Collaborating?

Please send an email to the Innovation Expedition Selection Committee before October 31st briefly explaining the innovation you wish to share. A committee member will be back to you shortly after your email.

Innovation Expedition Selection Committee:

Bernard Mohr, bjm@innovationpartners.com

Dr. Martin Merry, merrymd@comcast.net

Danny Nashman, dnashman@sympatico.ca

Fees:

Individual Rate - \$599.00 - Includes Materials and Meals for Both Days (including dinner on February 7) – Not included are hotel and transportation expenses. Group Rate (3 or More Participants Registering Together) \$499.00
